(Chicago) – The North Atlantic Treaty Organization (NATO) is hosting its 25<sup>th</sup> summit in Chicago, Illinois on May 20-21, 2012. Leaders from NATO member countries are scheduled to attend the two-day event.

Security and transportation plans for the summit have been developed by a partnership of local, state and federal law enforcement and public safety agencies. This plan provides the general outlines for road closures, vehicular restricted zones, public transportation, charter vehicles and pedestrian routes. Specific questions regarding this transportation plan should be directed to the participating agencies as identified.

### **Road Closures, Parking and Pedestrian Restrictions**

Road closures, parking restrictions and changes to public transportation routes and public works services will be necessary during the NATO Summit beginning in a limited capacity at 6 a.m., Sunday, May 13 (parking restrictions only). Additional parking restrictions will go into effect on Tuesday, May 15 in limited areas near McCormick Place. Road closures and pedestrian restrictions will be implemented beginning at midnight, Saturday, May 19 (Friday midnight into Saturday). The affected roadways will open for evening rush hour on Monday, May 21.

In addition to the road closures and parking restrictions listed below, there will be intermittent traffic delays and temporary closures on interstate roads and throughout the downtown area beginning on Saturday, May 19, until Monday, May 21, to allow motorcades to travel to and from McCormick Place and other event sites. The major roadways affected by these intermittent closures include:

- I-90 East & West (Kennedy Expressway) between O'Hare International Airport and downtown
- Ohio Street from I-90/94 to Fairbanks Court/Columbus Drive
- Ontario Street from Fairbanks Court/Columbus Drive to I-90/94
- I-90/94 East and West between downtown and I-55
- Roosevelt Road, 18th Street, and Canalport Avenue access from I-94 West (Dan Ryan Expressway outbound)

## **Airspace Restrictions**

An interagency airspace security plan will be implemented to provide secure airspace over the Chicago area during the NATO Summit. A Federal Aviation Administration (FAA) flight advisory listing enhanced restrictions was released April 18 (Notice #NOTC3675 -

<http://www.faasafety.gov/SPANS/noticeView.aspx?nid=3675>). A Notice to Airmen (NOTAMs) with additional details will be published at a later date.

Pilots are strongly encouraged to check NOTAMs frequently for possible changes prior to operations in the area or contact a Flight Service Station at 1-800-992-7433 to check for all current NOTAMs. Pilots may also contact FAA Systems Operations Support Center (SOSC) at 202-267-8276 or through the FAA's website <http://tfr.faa.gov/tfr2/liStreethtml>.

## **Marina/Waterway Restrictions**

The public will see an increased U.S. Coast Guard presence on the water during the NATO Summit. The Coast Guard's initiatives are one of the many layers of increased security during the summit. The Coast Guard will continue to perform its standard missions of search and rescue and law enforcement in addition to their homeland security responsibilities.

The following maritime security zone will be effective and enforced 24 hours a day between 8 a.m. on May 18, 2012, and 8 a.m. on May 22, 2012:

- Security Zone A - Security Zone A encompasses all U.S. navigable waters, facilities, and shoreline within the arc of a circle with a 2000-yard radius of the Burnham park boat ramp with its center point located in the approximate position 41°51'37"N, 087°36'44"W.[DATUM: NAD 83].

Security Zones B, C, and D, effective between 8 a.m. on May 18, 2012, and 8 a.m. on May 22, 2012, will have fewer restrictions than Zone A. Commercial and recreational traffic will be allowed access to these areas unless security measures need to be temporarily implemented.

- Security Zone B - Security Zone B encompasses all U.S. navigable waters, facilities, and shoreline within the arc of a circle with a 2000-yard radius of the outer most tip of the Chicago lock with its center point located in the approximate position 41°53'19"N, 087°36'17"W.[DATUM: NAD 83].
- Security Zone C - Security Zone C encompasses all U.S. navigable waters of the Chicago River between the Western Gate of the Chicago Controlling Works Lock which is located in approximate position 41°53'18"N, 087°36'28"W. [DATUM: NAD 83] and the juncture of the north and south branches of the Chicago River which is located in approximate position 41°53'11"N, 087°38'15"W. [DATUM: NAD 83]
- Security Zone D - Security Zone D encompasses all U.S. navigable waters of the south branch of the Chicago River between Mile Markers 245.0 and 276.0. [DATUM: NAD 83].

Concerned maritime traffic can contact the Coast Guard Captain of the Port Representative via VHF-FM Channel 16.

All City of Chicago owned or operated bridges over the Main, South and North Branches of the Chicago River will be closed to masthead navigation between 7 a.m. on May 18, 2012 through 7 a.m. on May 21, 2012.

## **Commuter Rail Lines and Public Transit**

Commuter rail lines in Chicago will not be closed to riders during the NATO Summit. However, passengers should plan for delays as trains approach and pass through the McCormick Place stop due to necessary security measures.

The McCormick Place stop will be closed on both Sunday, May 20 and Monday, May 21. Other stations may be closed as needed. Additional information on route changes during the NATO Summit will be available online via Metra at <http://www.metrarail.com> and the Northern Indiana Commuter Transportation District at <http://www.NICTD.com>.

Changes to bus routes within the vehicle and pedestrian restricted areas will be necessary. Information on route changes will be available on the Chicago Transit Authority website at <http://www.TransitChicago.com>.

## **Online Information**

The Chicago NATO Host committee will use Notify Chicago as a resource for communicating useful summit related information on street closures, traffic disruptions and more.

Individuals may sign up for Notify Chicago through the City of Chicago Office of Emergency Management and Communications website to receive message alerts via text message or voicemail related to extreme weather alerts, traffic disruptions, health alerts and major incidents. The free subscription can be completed in a matter of minutes by visiting <http://www.notifychicago.org>. This is a free City of Chicago service, though text message rates may apply based on cell phone provider.
